

What does membership mean for you?

S **Superb professional development** by nationally renowned speakers in areas of interest to SLPs who work in school settings. GO SSLP members receive deep discounts on conference registration fees and are guaranteed a seat at our annual *Best Practices* conference when you register by the deadline.

C **CEUs for ASHA** that are easily recorded and managed. Our Executive Office records, audits, submits, and maintains our members' CEU records for easy access.

H **Helpful digital newsletters** that are full of information about current topics and issues related to school-based SLPs around the state.

O **Opportunities to collaborate on and contribute to products** that will benefit SLPs with common interests around the state (e.g. RTI Manual). GO SSLP member contributions have helped to reduce the purchase price of these products. Members collaborate at the GO SSLP annual conference and share their opinions through surveys about the organization's direction.

O **Open communication and dialogue** with SLPs that have similar interests and concerns. GO SSLP maintains a database that members can easily access and active social media accounts to encourage member engagement and interaction.

L **Lobbyists** who represent the interests and needs of GO SSLP members before policymakers in the Georgia legislature. Members receive timely updates, alerts, and communications about specific actions they can take to make a difference for the profession. The voices of GO SSLP members are heard at the Georgia capitol!

S **Special opportunities to serve and learn** from one another as we collectively promote the needs of children with communication disorders around the state. GO SSLP offers mini-grants and scholarship opportunities.
